

**Spring Member Meeting of the
German Society for Cell Biology**
March 1-2, 2017
University of Leipzig

Organizers:

Thomas Magin, Volker Gerke, Oliver Gruss, Karin Schumacher, Carien Niessen

Carl Zeiss lecture: Peter Walter (UCSF)

Main Sessions organized by young independent DGZ Investigators

Cell Biology by Numbers:

Simone Reber (Chair)

Stephan Grill

(Keynote)

Mechanisms of Nucleoplasmic Exchange

Martin Beck (Chair)

Wolfram Antonin

(Keynote)

New Insights into Cell-Cell fusion: Mechanisms of Membrane Fusion

Susanne Önel (Chair)

Thomas Krey

(Keynote)

Extracellular Vesicles: The secret side of Cell-Cell Communication

Julia Gross (Chair)

Pascale Zimmermann

(Keynote)

DGZ Award Session

Walther Flemming Award

Binder Innovation Prize

Nikon Young Scientist Award

Werner Risau Prize

The DGZ in 2025: needs of a cell biology community: a member town hall meeting

Abstract deadline:
January 31, 2017

Info and Registration:
www.zellbiologie.de

Venue: University of Leipzig
Augustusplatz 10
04109 Leipzig
Germany
