

**Spring Meeting of the German Society for Cell Biology (DGZ)
March 1–2, 2017 in Leipzig, Germany**

www.zellbiologie.de

Conference Venue:
University of Leipzig
Augustusplatz 10
04109 Leipzig, Germany

Tentative Scientific Program

Wednesday, March 1, 2017

12:00	Welcome Address
	Matthias Schwarz, Vice-Rector, University of Leipzig
12:15	New Challenges for the DGZ
	Carien Niessen, President, German Society for Cell Biology
12:30	Session 1: Cell biology by numbers
	Chair: Simone Reber (Berlin, Germany)
	Keynote Speaker: Stephan Grill (Dresden, Germany) Julia Mahamid (Munich, Germany) Simone Reber (Berlin, Germany) (short talk)
	and 2 short talks selected from the abstracts
14:00	Poster Walk 1: Short Presentations on Digi Posters
15:00	Session 2: Mechanisms of nucleocytoplasmic exchange
	Chair: Martin Beck (Heidelberg, Germany)
	Keynote Speaker: Wolfram Antonin (Tuebingen, Germany) Martin Beck (Heidelberg, Germany)
	and 3 short talks selected from the abstracts
16:30	DGZ Awards
	Walther Flemming Award Nikon Young Scientist Award of the DGZ Binder Innovation Prize Werner Risau Prize
17:45	Carl Zeiss Lecture
	Peter Walter (San Francisco, USA)
19:00	DGZ Member Meeting
20:30	Get Together with drinks and buffet (Grassimuseum Leipzig)

Thursday, March 2, 2017

08:30 Session 3: New insights into cell-cell fusion: Mechanisms of membrane fusion

Chair: Susanne Önel (Marburg, Germany)

Keynote Speaker: Thomas Krey (Hannover, Germany)
Susanne Önel (Marburg, Germany)

and 3 short talks selected from the abstracts

10:00 Poster Walk 2: Short Presentations on Digi Posters

11:00 Session 4: Extracellular vesicles - The secret side of cell-cell communication

Chair: Julia Gross (Goettingen, Germany)

Keynote Speaker: Pascale Zimmermann (Marseille, France)
Julia Gross (Goettingen, Germany)

and 3 short talks selected from the abstracts

12:30 Poster Walk 3: Short Presentations on Digi Posters

13:30 Wrap Up and Lunch
